A SUPPLEMENT to the *Maryland* GAZETTE, of last Week. 433

Annapolis, *October* 17, 1765.

To the Printer of the *Virginia* Gazette.

SIR,

THE evident Intention of endeavouring your Northern Brethren, as you term it, in your Paper of August *the* 30*th last, being to intimate, that the People of* Virginia *are not so well disposed to assert their just and constitutional Rights, as it has been truly represented they are, and which Intention has been dictated to you by the abject Sons of Slavery; it is expected that you will retract the injurious Censure that Paragraph of your Paper was meant to convey, by publishing this in your next Gazette, which is the best Atonement you can make for so unjust and dishonourable an Imputation. And this you may regard, as proceeding from no false Intelligencer; but, from a Person better acquainted with the Actions and Intentions of the People of* Virginia, *than a resident Printer in* Williamsburg, *can be; or, than the servile Dictator, of the above mentioned Paragraph, seems to be. I am, &c.*

To Mr. *Jonas Green*, Printer, at *Annapolis*.

VIRGINIA, *October* 5, 1765.

SIR,

THE above Address was sent some Time ago to the Printer at *Williamsburg*, but as it has not yet appeared in his Paper, we may reasonably conclude it will not be inserted there; and it being well known, that we are in this Colony deprived of that great SUPPORT OF FREEDOM, THE LIBERTY OF THE PRESS, as the only one we have here, is totally engrossed for the vile Purpose of *ministerial Craft*: I must therefore apply to you (who have always appeared to be a bold and honest Assertor of the Cause of Liberty) to give it a Place in your next Paper; in which you will singularly oblige, Numbers here, and particularly him, who is,

Your real Friend,
and most humble Servant,
A VIRGINIAN.

The Writer of the following Letter ought sooner to have been obliged with a Publication, but so many Pieces on another very interesting Subject came to Hand, that still were kept out.

Mr. GREEN,

AS the present Method of Subsisting the Poor in this Province, and the shameful Treatment they too often meet with, from those who receive their Pensions, have long been Matter of just Complaint, I presume to offer to the Public, by Way of your GAZETTE, the following unconnected Hints towards erecting an Alms-House, Hospital, or Work-House in each County; in Hopes they will be improved by abler Hands.—To which I have added an Estimate of the Charge of erecting an Hospital in this County, and of maintaining the Pensioners afterwards, which perhaps may be of some Service to Gentlemen in other Counties, in making their Estimations. I am,

Your very humble Servant.

A MECHANICK OF MARYLAND.

Baltimore County, July 20, 1765.

First, I propose that a small Tract of Land be bought as near as may be to [illegible] Town in each County, (if the Land is partly improved and hath on it some Houses, or Ground that will suit for [illegible] on which to erect the Poor of each County, and Bedding, Implements, Tools, Stock, and all other Necessaries to be provided at the respective Counties Expence.—The Buildings may be called Alms-Houses, Hospitals, or Work-Houses; and will be better on Plantations than in Towns, for the Convenience of Fire Wood, keeping Cows for Milk, raising Poultry, Garden Truck, Flax for Spinning, &c. &c.

When the Buildings are ready, and Necessaries provided, all Pensioners (except those who are married and actually keep House together) be placed in said Hospitals, and those that are able made to Work according to their Ability.

That a Doctor be employed to attend each Hospital, and find Medicines for the Pensioners, at a certain Sum per Year.

That an Overseer and House-Keeper be employed to reside at each Hospital to keep the Pensioners in Order, receive in, and deliver out their Provision, Cloathing, Materials for them to work on, and to keep just Accounts of the Expence of the Hospital, and the Profits of the Pensioners Work, &c.

That one or more Justices have Power to order any sick or poor Person into the Hospital, during their Sickness or Inability to provide for themselves, and when such sick or poor Person (or any other Pensioner) becomes able to repay the County their Expence by Labour or otherwise, it's reasonable they should do it.——Quere, would it not be better to commit Runaways, Idle, disorderly Persons, and those guilty of small Offences to the Hospitals (instead of the Prisons) there to be made Work during their Stay.

That the Justices of the Counties be impowered to buy the Lands, build the Hospitals, and provide all Necessaries, appoint the Doctor, Overseer, House-Keeper, &c. and determine who shall be admitted as standing Pensioners, and who not. That they likewise have Power to appoint a few of their Number (or some other Person or Persons) for one Year at a Time, to contract for Provisions, Necessaries, &c. to superintend the Hospital, settle the Accounts thereof, &c.

If the Lands thought most proper to place the Hospitals on, cannot be purchased; then to be valued by a Jury, and condemned; as Lands commonly have been for Towns.

An ESTIMATION of the Expence of Erecting an Hospital, &c. in *Baltimore* County,

	£. Currency.
For a small Tract of LAND, (suppose 100 Acres,)	300 : 0 : 0
Buildings for the Pensioners,	1000 : 0 : 0
Beds, Bedding, Kitchen Utensils, Spinning Wheels, Tools, &c.	400 : 0 : 0
Ten Cows & Calves, and 3 Horses,	90 : 0 : 0
£.	1790 : 0 : 0

The Charge of Maintaining the Pensioners in an Hospital the First Year.

For a Doctor and Medicines,	60 : 0 : 0
An Overseer 50 l. a House-Keeper 20 l.	70 : 0 : 0
2 Men Servants 36 l. 2 Women Ditto 15 l. (Quere if wanted)	51 : 0 : 0
Their Accommodations for one Year, (the Doctor excepted)	50 : 0 : 0
Provisions for 230 Pensioners, (being about the present Number in the County, great and small) at 4 l. each,	920 : 0 : 0
Cloathing for Ditto, at 30 s.	345 : 0 : 0
£.	1496 : 0 : 0

Though the above Calculation is made for the whole Number of Pensioners, yet 'tis presumed upon establishing an Hospital we shall immediately get rid of so be at least 2 Part of the present Pensioners, which will destroy the Articles of Provision and Cloathing, as above stated (el-

Brought up £.	1496 : 00 : 0
lowing Bedding for the whole Number to be provided,)	314 : 5 : 0
If that should be the Case, the first Year's Expence will be but — — — £.	1182 : 15 : 0
After the first Year 'tis thought the Provisions will be raised or earn'd, and the Cloathing made or earn'd by the Labour of the Servants and Pensioners, which will reduce those Articles yearly, after the first Year, — —	500 : 7 : 6
Then each Year's Expence will be but — — £.	682 : 7 : 6

The Pensioners Expence, in the Year 1764, in this County, was upwards of 1580 l. (and still like to increase,) so that there will be a Saving to the County of about 900 l. *per Annum*, according to the above Estimation; which, I can falsify any Gentleman, is made as near the Truth as possible; and, that many other Advantages to the Public, will arise by establishing Hospitals or Work-Houses in every County in this Province.

Westmorland, September 24, 1765.

To the Hon*ble* the Governor and Council of *VIRGINIA*.

THE very great Impropriety of Acting in an Office which at once requires the Discharge of Duties, utterly inconsistent with each other, makes it indispensably necessary to give your Honours this timely Information; that, after the First Day of *November* next, We the under written Magistrates of *Westmoreland*, find Ourselves compelled, by the strongest Motives of Honour and Virtue, to decline Acting in that Capacity; because, from that Period, the Act for establishing Stamps in *America* commences; which Act will impose on us a Necessity, in Consequence of the Judicial Oath we take, of Acting in Conformity to it's Directions, and, by doing so, to become Instrumental in the Destruction of Our Country's most essential Rights and Liberties.

[Signed by the JUSTICES.]

ON Tuesday the 14th Day of *September*, as W——m——d C——r, in the County of VIRGINIA, the Images of G——e G——n, and G—— M——r, were carried in a Cart to the Gallows, and were there publicly hanged with the Acclamations and Applause of a large Concourse of People, of all Ranks and Denominations. On the Breast of the former was inscribed, "I am G——e G——n, the infamous Promoter of AMERICAN SLAVERY. In one Hand of the latter, he held "MONEY is my GOD." In the other Hand, "SLAVERY I LOVE." On his Breast, "I am G——e M——r, C-l——f of the St--ps in *Virginia*.

On Wednesday the 25th of *September* was published, the last Words and dying Speech of G—— M——r, C-l—— o of the Stamps in *Virginia*, delivered to a crouded Audience of all Ranks and Degrees of People, assembled to see him first Hanged and then Burnt, for Traitorously aiding and assisting in the Destruction of his Country's Liberty.

GENTLEMEN,

SINCERITY becomes a Man who is on the verge of Eternity, however Crafty he may have been in the former Part of his Life. I hope, therefore, that I shall gain your Credit, when I [illegible] Account of your Sentence, and the Progress of my Punishment. For it is true, that when I [illegible] I have [illegible] my own Character [illegible]

like this murderous Band of Ministers, she has been seduced and perfidiously betrayed. But it was the inordinate Love of Gold which led her astray, from Honour, Virtue, and Patriotism.

As I am now to suffer the Punishment due to great an Offender deserve, I hope my Fate will instruct Tyranny and Avarice, that VIRGINIA is determined to be FREE.

PHILADELPHIA, *October* 10.

ON Saturday the 5th inst. the Ship Royal Charlotte, Capt. Holland, came up to this City, attended by his Majesty's Ship Sardine, James Hawker, Esq; Commander. Capt. Holland having brought from London the Stamp'd Papers for Maryland, New-Jersey and this Province, remained some Time at New-Castle on Delaware, under Protection of the Man of War. On the first Appearance of those Ships round Gloucester Point, all the Vessels in the Harbour hoisted their Colours half Mast high, the Bells began to Ring, being first Muffled, and continued so until the Evening, and every Countenance added to the Appearance of sincere Mourning for the approaching Loss of LIBERTY. At Four o'Clock in the Afternoon, several Thousand Citizens met at the State-House, to consider the proper Ways and Means for preventing that unconstitutional Act of Parliament (the STAMP-ACT) being carried into Execution; the first Measure was to send Seven of their Number to Mr. HUGHES, Stamp-Distributor for this Province, to request he would resign that Office. He assured them, no Act of his should tend to carry that Law into Execution here; until it was generally complied with in the other Colonies, but refused to sign any Resignation at that Time for various Reasons which he assigned: On the Gentlemen's Return to the State-House, and reporting this Answer, the Company were instantly transported with Resentment, and it is impossible to say what Lengths their Rage might have carried them, had not the Gentlemen who waited on Mr. HUGHES represented him in the Light he appeared to them; At the Point of Death! his Situation raised their Compassion, and they happily communicated their Feelings to all the People assembled, and instead of the Multitude repairing instantly to his House for a positive Answer, they agreed to make their Requisition in writing, and gave Mr. HUGHES until Monday Morning to make Reply; in Consequence of this Determination, a short Paper was instantly drawn up and sent him, and on Monday Morning the Deputies received from him a Writing which was brought to the Court-House, and there read aloud to a vast Concourse of People, as follows,

WHEREAS, about Six o'Clock on Saturday Morning last, a Paper was sent to me, expressing, that "a great Number of the Citizens of "Philadelphia assembled at the State-House, do "demand of Mr. JOHN HUGHES, Distributor "of Stamps for Pennsylvania, that he will give "them Assurance under his Hand, that he will "not execute that Office, and expect that he will "give them a fair, candid, and direct Answer by "Monday next, Ten o'Clock, when he will be "waited on for that Purpose."

Saturday, October 5, 1765.

I DO THEREFORE return for Answer to those Gentlemen, and all their Associates, that I have not hitherto taken any Step tending to put the late Act of Parliament into Execution in this Province, and that I will not either by Myself or my Deputies, do any Act or Thing, that shall have the least Tendency to put the said Act into Execution in this Province, until the said Act shall be put into Execution generally in the neighbouring Colonies, and this I am determined to abide by.

And whereas my Commission includes the Three Counties of New-Castle, Kent, and Sussex, upon Delaware, I do therefore hereby, voluntarily, inform the good People of those Counties, that no Act of Mine shall, either directly or indirectly, involve them into any Difficulties, with Respect to the said STAMP ACT, before the same shall take Place generally in the neighbouring Colonies.

JOHN HUGHES.

This Paper from Mr. HUGHES at First gained the Approbation of Three Hundred, but we find many People much dissatisfied with it since, as they think he ought to have resigned his Office without Reservation; and from the Spirit which discovers itself amongst all Ranks of People, we have Reason to think, this Declaration would not have quieted the Inhabitants, had Mr. HUGHES been in better Health. Capt. Hawker having taken the Stamp'd Papers we heard his Majesty's Ship, prevents them from being expelled to the Resentment of an injured and enraged People. Thus have we, in some Degree, followed the Example of our fellow Sufferers in the neighbouring Colonies, and the cool-thinking People amongst us congratulate themselves and their Country on finding Spirit enough exerted to put us on the same Footing with the rest of the Continent; and that this was done by *Men*, who had Moderation not to proceed to any unnecessary Acts of Violence. It may not be amiss to inform the Public, that Mr. HUGHES, did declare upon his Honour, he would not receive or take any Charge of the Stamp'd Paper, and as we have no Reason to doubt his firm Adherence to any Resolution he makes, we think there is no Danger of their being distributed in this Province.

ANNAPOLIS, *October* 17.

Sunday Evening last, about IX o'Clock, a Man was knock'd down at the Head of the Dock in this City, by two Men, who Robb'd him of his Watch and some Money, and got off undiscovered; but one very noted Person for Roguery, who is suspected, is since gone off to the Northward, with a Woman whom he calls his Wife.

On Monday Evening last, about VIII or IX o'Clock, the Dwelling-House of Mr. *Benjamin Wells*, near the Head of *South* River, accidentally took Fire, when both himself and Wife were from Home, and burnt to the Ground, and likewise the Kitchen; by which he has suffer'd a Loss of 5 or 600 Pounds.

Several very considerable Traders [in the Way of Receiving Stolen Goods] have lately been found out in this Town, and remov'd from their Lodgings to the Prison. A Man and his Wife, of the Name of *Burt*, were discovered to have follow'd that Business for a good while, by a Convict Servant Woman, who lay at the Point of Death, but being very uneasy in her Mind, she sent for her Mistress, and confess'd, that she had often wrong'd her Master and her, by the Persuasion of those People, by Stealing of Pewter, Candlesticks, Pillows, Sheets, Pillow-Cases, *&c. &c.* and that they wanted her to Steal a Bed, but she told them she could not get it out of the Window: She soon after Died: Search was made accordingly, some of the Things found, and the Wretches were Yesterday committed to Jail.

We hear that a Petition will be preferr'd to the Assembly, next Session, Signed by all the Magistrates of *Baltimore* County, and a great many Others, Praying that they may have Leave to Erect a House for the Poor of that County. [*See the Letter and Estimation from thence, on the first Page of this Sheet.*]

The Author of the Piece signed LOYAL PATRIOT, is come to Hand; but is too long to be inserted,—And our Readers have had better Performances.

The sensible Letter from VIRGINIA, without a Name, complaining of the Want of a FREE PRESS, and Treating on the *British-American* Constitution and Privileges, should have been Publish'd, if we could; but it is doubted whether it can or not, as it is long and we have much to do, and but a short Time left: Two Weeks more will bring on the——FIRST OF NOVEMBER.

ALL Persons Indebted for the *Maryland* GAZETTE, *&c. &c.* are earnestly requested to be speedy in making Payment.

THE MEMBERS of the *MISSISSIPPI* COMPANY are desired to give their Attendance at *Stafford* Court-House, in *Virginia*, on Friday the 22d Day of *November* next, on special Business. *By Order of the Committee,*

WHEREAS a malicious, false, and false Report hath been raised and propagated by several Persons unknown, tending to injure and depreciate the Character of Mr. *Richard Sappington*, of *Anne-Arundel* County, of and concerning a Deed of Gift, made by his late Father *John Sappington*, deceased, to his said Son *Richard Sappington*, and his Grand Children, &c. &c.

"That the said *John Sappington* declared, in his La-
"time, declare, That he had never executed
"any such Deed of Gift, and if he did That
"he knew not what was in it."

The following Depositions both fully prove, by which it plainly appears, that the said Report is false and villainous.—The Deposition of *Thomas Fowler* of *Anne-Arundel* County, Planter, aged 56 Years, or thereabouts, being first sworn on the Holy Evangels of Almighty GOD, deposeth and saith, "That he was personally acquainted "with *John Sappington*, deceased, the Father of "*Richard Sappington*, and attended him in his last "Illness." This Deponent further saith, that in Conversation with the said *John Sappington*, about a Deed of Gift, formerly made by him to his Grand Children, and his Son *Richard Sappington*; the said *John Sappington*, told this Deponent, at several different Times before his Death, and at the Time of his last Illness, "That he (the said "*John Sappington*) had said more about the Deed "of Gift to his Son, and Grand Children, than "he ought to have said, but he hoped GOD "would forgive him for it, and that what he had "said about the Deed, was for Peace Sake in his "Family, and among his Friends:" This Deponent further saith, that the said *John Sappington*, further told this Deponent, "That he, the said "*John Sappington*, very well remembered what "he did, and that it was to content his Mind, "and that he had, by that Deed of Gift, given "Forty Pounds to the Children of his Son *John*, "and Twenty-five Pounds to his Grandson *John* "*Sappington*, as also a Feather Bed and Furniture, "and a Negro Girl called *Moll*, and that the "Money was to be paid by his Son *Richard*; "and that he had, by the said Deed, given the "Remainder of all he had to his Son *Richard*, "which he hoped would make him amends for "all his Trouble." And further this Deponent saith not.
